A BOLD VISION FOR THE FUTURE
St. Simon Education & Spirituality Center

Building for Generations. Growing Together in Faith.

For generations, Saint Simon has been a place where faith is nurtured, friendships are formed, and lives are transformed. Now we have the opportunity to build on that legacy.

We started construction this summer, and you can see the first fruits around campus: the new ADA ramp to Schram Field and the amphitheatre seating behind the School. The Community Gathering Plaza is almost complete, and the Little Saints Preschool expansion is underway.

Next comes the heart of our vision: the new **Education and Spirituality Center**, bringing our parish and school together with welcoming spaces for learning, gathering, spiritual growth, and service. This is more than a building. It is an investment in the people who will shape Saint Simon for years to come.

Thanks to the generosity of many families, we surpassed our original goal. But construction costs have risen considerably, and we need $3 million more in commitments to build the Education and Spirituality Center. This next step is not about a few large gifts. It's about all of us. Please prayerfully consider a pledge, at whatever level is right for your family.
Every gift at any level matters. Every family counts.

Together, we are building for the future!

For 70 years, Saint Simon Parish has been a spiritual home where faith takes root and bears fruit. For 65 years, our Parish School has formed young hearts in the Catholic tradition. Now is the time for all of us, school and parish together, to build for the generations to come.

A Center for Learning and Spirituality

Room to Learn: A place where young minds are inspired, individual gifts are nurtured, and students receive the support they need to flourish. Two new classrooms, a dedicated counseling office, and resource and tutoring spaces will strengthen the educational experience at Saint Simon.

Room to Gather: Welcoming spaces where friendships grow, ministries flourish, and community comes alive. A beautiful atrium, meeting rooms, and outdoor gathering areas will create new opportunities for outreach, connection and belonging.

Room to Serve: A shared home for parish leadership, pastoral care, spiritual accompaniment, and outreach and social justice, bringing our community closer together in mission and service.

There is a Place for You in this Vision

Every family. Every gift. Every act of generosity helps build the future of Saint Simon. Whether your contribution is large or small, your participation matters. We invite you to prayerfully consider a five-year pledge at a level that is meaningful for you.

Make a pledge. Pledges are spread over five years. Choose what is best for you: monthly, quarterly or annually.

Every gift matters at whatever level you can. We are encouraging everyone to participate.

Double your gift. Many employers will match your gift. Check with your HR department or Benevity.

Your gift stays here. 100% of your donation stays at Saint Simon. We have fulfilled our part of the Diocese of San Jose Sowing Seeds of Faith Campaign.
